TOWN AND COUNTY.

Nuts to Crack, at Roberts.

The Fantastics are to be out in full dress on Christmas Day.

The schooner W. G. Shattuck which cleared at Boston Nov. 11th for Port Royal was abandoned in the Gulfstream. All hands were saved.

The largest stock of candy ever seen in Beaufort and of the greatest variety, at Roberts.

E. J. Coleman, of Boston, has failed for \$181,000. This is supposed to be the gentleman lately engaged in the lumber business in this neighborhood.

A man named Wm. Johnson, charged with being a hog thief was killed near Brunson last Saturday. The coroners jury failed to discover the person who fired the shot.

For a fine assortment of New York candies and a variety of beautiful Christmas presents suitable for Christmas presents purchasers should call at Odell's, where can be found a fine display of the above articles together with an abundance of the most elegant pastry, fresh fruits and nuts of all kinds.

If you wish to make a pleasant visit and select a fine Christmas present, you can do so by calling at the Drug Store. We call particular attention to the Stationery Department, and recommend our friends to go and examine before making their purchases.

AN ALLEGED THIEF SHOT.—On Saturday morning last a colored man, whose name we were unable to learn, was shot by Mr. R. B. C. J. Youmans on his place near Campbellton. The wounded man died on the evening of the same day. It is said that the man was shot while in the act of stealing. Mr. Youmans at last accounts had not been arrested.

Oranges, Apples, Lemons, Dates, Figs, and Cranberries, at Roberts.

The contract for building the wall around the National Cemetery at this place was awarded to an Augusta firm and they are hard at work. All the brick for the wall as well as the workmen and even the teams for hauling are being brought from that city, so that we are not to reap much benefit from the work in a pecuniary way.

A BIG SALE.—It will be seen from the list of sheriff's sales that all the large tracts of land owned by R. G. Holmes at and near Alameda will be offered for sale by the sheriff on next sales day. It will be remembered by those in attendance at the sales of lands for taxes in June last that the most if not all of this land was sold for delinquent taxes and purchased by Messrs N. Wiggin & Co. of Salem Mass., who had claims on it, and if the lands have not been redeemed, as they have probably not been, the purchasers may get a very unsatisfactory title or a first-class law suit.

You can't enjoy your Christmas without first visiting Robert's store and seeing and buying some of the good things he offers to tempt the palate and the purse.

The office of the Town Treasurer and Marshal will be moved to the Town Council building, situated on the corner of the town offices are now under one roof. The basement of the building has been fitted up in good style for the accommodation of the clerk and treasurer, and the quarters for surplus in convenience and comfort any place ever before occupied by him. He is now receiving returns and the council is expected to make the tax levy to night, so that every one will have the pleasure of paying the clerk an early call and contributing of their substance to the maintaining of the town government.

FAIR AND FESTIVAL.—The ladies of the Baptist Church will hold a Fair and Festival for the benefit of the Church tomorrow evening at the hall of the Washington Engine Company on Bay Street. The fair last year was an entire success and the proceeds enabled the ladies to add greatly to the beauty and comfort of the church building. We hope our citizens, irrespective of creed, will lend their aid to the good cause and all go and see the beautiful display that will be prepared for the occasion.

FIRE.—On Friday evening last the sky in the northeast informed us that a fire was raging somewhere on Coosaw river. The sufferer proved to be Mr. J. J. Dale who, we understand, lost his cotton gin, warehouse and stable. The fire caught from a match in the cotton passing through the gin. We have not learned the amount of the loss but it must have been large.

The Congressional Committee is expected here to-day or to-morrow to see our town and visit the fleet. President Johnson has placed a car at their disposal and will render their visit agreeable and

THE OLDEST AND THE BEST.—These are the claims which the publishers of the New York Observer make for their paper in their prospectus of the fifty-fifth volume. And, while history bears them out in the first, an undeviating course in sending out a large, full, fresh, readable family newspaper, gives them at least a right to the second. In the great multitude of papers that are published, the Observer holds its own position, and an enviable position it is. No paper reaches us that we can recommend more heartily it is published at \$3.15 a year, post paid, and the premium picture and chromo humbugs are left for those who have nothing better to offer. S. I. Prime & Co., 37 Park Row, New York.
